Nantasket Beach Hosts Exciting Lineup of Summer Events in 2024

There is a vibrant array of events at Nantasket Beach for the summer of 2024. This season promises to offer something for everyone, ensuring a memorable summer for visitors of all ages. Kicking off the summer festivities is the Summer Sunshine Performance Series, featuring free weekly Saturday afternoon performances at the Bernie King Pavilion. This series showcases a variety of diverse performers from the South Shore of Boston, including acts like PanNeubean Steel, Los Gallos Locos, and the Boulevard Kings. These performances, running from July through August, bring an eclectic mix of music ranging from Latin roots rock to 50s and 60s vintage rock 'n' roll. For those who love to dance, the Music and Dancing By The Sea sessions return on Sunday afternoons. These events feature live band music and dancing, providing a fun and energetic atmosphere for all attendees at the Bernie King Pavilion. Additionally, line dancing enthusiasts can enjoy Line Dancing Lessons every Monday night at the Bernie King Pavilion. These sessions are open to both beginners and intermediate dancers, making it easy for everyone to join in and have fun. All events are free and open to the public, thanks to the generous support of programs like Save the Harbor/Save the Bay's Better Beaches Grant Program. This program has been instrumental in enhancing the accessibility and diversity of beach activities across Massachusetts for over 16 years.
